Could You Tell Me How To Get To "Sesame Street"?  
Can You Sing The "Brady Bunch" Theme Song?  
What Song Was Playing When You Were First Asked Out?

When we were born in the early 70's, "Light My Fire" was a popular hit. Dad dropped us off at kindergarten and "Hotel California" was blaring on the car radio. Rainy-day recess in fourth grade had "Eye of the Tiger" playing on the tape recorder while Ms. Rosycheeks told us to keep it down. At the eighth grade dance we leaned against the wall or jumped around acting cool while the D.J. spun "Open Arms."

Music has been a big part of our lives. Whether it was a ditty on Sesame Street before

nap time, a Christmas carol as shoppers flooded the aisles at J.C. Penny, or "Bust A Move" blasting at a weekend party, the background of our lives has been music. Just as our lives have changed over the years, so has music. Music gives everything that we do energy, inspiration, and fun. The class of 1990 has kept this in mind throughout the past four years as we

## Heaven

Sights of fancy gowns and colorful flowers filled the room. The Sheraton Tara in Nashua, N.H. had been transformed into a wonderland for an evening. It was May 12, 1989, the night of our long awaited Junior Prom.

After standing in endless lines to have formal pictures taken, the couples moved to their tables for dinner, and then onto the cramped dance floor. Karen Leger and her date Mark Cappella were crowned King and Queen as they danced to the prom theme song, "When I'm with You." As the evening drew to a close, each couple knew that they would always remember these special few hours spent together.

# We Are The Champions

Since Spirit Week began in 1987, the class of 1990 has placed first each year. Mrs. Jordan, our former class advisor, started the tradition in an effort to boost the spirit of the students. The result was a fun-filled week not only involving students, but the faculty too.

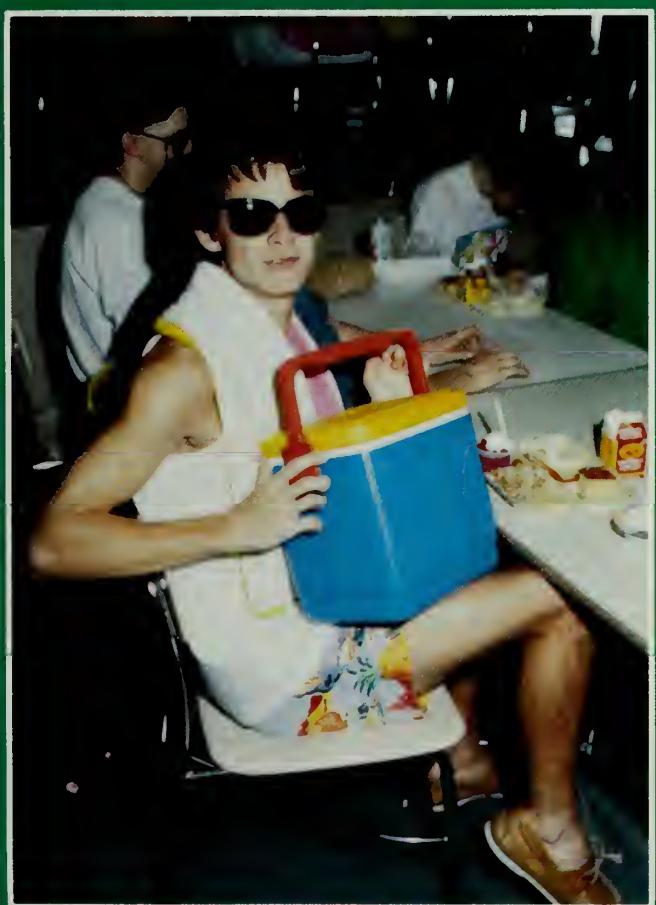

The homeroom trivia questions could not stump our class. We even proved our concern for others with our generous response of food donations for Alternative House at Thanksgiving time. Whether it was Beach Day, Childhood Remembrance Day, T-shirt Day, or Class Color Day, we always managed to have an overwhelming amount of participation resulting in our victories.

The coveted Spirit Week trophy has rested in our House for the past three years and awaits a new class spirited enough to deserve it. May the tradition of Spirit Week carry on for many more years to come!!

## Girls Just Want To Have Fun

"Powder Puff cancelled, no way!!"

This was the attitude of a group of Seniors when they heard of the administration's decision to eliminate the activity this year. After hard work, perseverance, and many meetings, Dr. Sharkey agreed to permit the game. Next came the task of finding coaches and members under short notice with the November 20 date looming in the background.

Despite one postponement due to snow, the game was played the following Monday on the athletic fields behind the school. The fans cheered as the Juniors were crushed by the Seniors. With Mr. Hipps as their coach, there was no doubt that the Seniors would emerge as the winners.

Who are the new cheerleaders?

Karen Beals lunges for the ball.

The Seniors kick off.

# Don't Stop Believing

"We'll try it again on Saturday," thought the football team and all of their fans after the Thanksgiving Day game had been postponed due to an unexpected snowstorm. Saturday's weather was cool and overcast and the team was ready to go, after the extra days of preparation. The two teams ran onto the field while the cheerleaders rooted them on.

Chelmsford dominated the game from the beginning, scoring a touchdown midway through the first quarter followed by a two-point conversion. Another touchdown, and one more after an interception made the score 22-0, ensuring a Chelmsford victory. The second half was just as bleak, until with only 24 seconds left in the game co-captain Rob Fiore scored a touchdown. Just when everyone thought that the game was over, the Lions scored another touchdown on the kickoff return making the final score 28-6.

This was the last game for ten seniors. Co-captains Rob Fiore and Mike Lavery as well as Kevin Chartrand, Chris Enright, Tom Ferris, Jonathan Hunt, Jeff Lutz, Alan MacEachern, John McCabe, and Pat Stratoti, all fought hard this season, although they did not have much luck. This game also concluded Mike Esposito's career as head coach having worked with the team for seven years. He will be missed, but he, like the rest of Billerica High, wishes the football team luck next year in beating Chelmsford.

Several Indians tackle a Chelmsford opponent at the line of scrimmage.

Junior Chris Tucker sacks the quarterback.

◀ Shane Graham breaks downfield with blocking from Matt Ousley.

◀ With good blocking, our quarterback prepares to throw a pass.

## That's What Friends Are For

Over the past few years, everyone has heard of Julie Sandberg. Her friends and family have worked hard to keep her memory alive. The legacy of a scholarship bearing her name assures that B.M.H.S. will never forget her.

The first event for Julie was a benefit St. Patrick's Day dance at the Knights of Columbus. Surrounded by shamrocks, everyone danced the night away. The hard work of many friends and volunteer D.J.'s made this a fun and thoughtful evening.

A soccer game was also played in Julie's memory. On September 29, 1989, under the lights at the Lampson Field, the B.M.H.S. Girls' Soccer teams faced Littleton High School in a benefit game for the Scholarship fund. Julie was a member of the soccer team in her sophomore year and the team thought that this game would be a nice way for them to remember her. Undoubtedly she provided the inspiration for a Billerica victory to finish the evening.

One more project was organized by Richard Bejtlich. His idea of a "positive memorial for Julie" was a three mile road race on July 16, 1989. The race, which began at the Irish American Club and ended at the high school, would not have been possible without volunteers from the town. The road race or walk, depending on one's ability, included 134 people of all ages and took three months to plan. Richard was able to raise \$2000 for the Scholarship fund.

One lucky athlete each year will receive a scholarship and remember its source. Each of us think of her story and are touched by her courage. The class of 1990 will always keep Julie Sandberg in our hearts.

The racers stretch out before the starting gun is fired.

"Did I win, did I win?" asks Lisa Allendorf.

"Free pizza." These words were enough to lure most of our class to the Irish American Club on November 3, 1988, for our Junior Ring Thing. Even those who did not purchase rings stopped by to have a slice of pizza and dance with their friends. Thanks to Balfour, this entire evening, complete with D.J., did not drain one cent from the class treasury. Classmates admired new glittering green gems and gave friends' rings a traditional good luck turn. Aside from a yearbook, a class ring is usually the only lasting reminder of high school days. Many years from now we will look at our rings and think of the fun that we shared together and our Junior Ring Thing.

# Band

The 1989-1990 Billerica Memorial High School Marching Band and Silver Jade Color Guard had an extremely successful season. Under the leadership of junior Field Director Elizabeth Whyte, senior Color Guard Captain Jennifer MacInnis, and Band Director Miss Elaine Foley, the group had worked hard since August to earn their numerous awards.

Throughout the fall, they participated in several competitions all over New England, including Connecticut and Cape Cod. The Band and Color Guard placed second or better at every competition in which they performed. At the end of the season, they were crowned Massachusetts State Champions and fell just three points short of the overall championship with a score of 92.25. Despite the loss of many dedicated seniors, next year looks to be just as promising, with several key members returning for another season.

# Football

The young 1989 Indian football team started the season with a tough contest against Haverhill. With the game tied 0-0 in the fourth quarter, the Hillies scored and won the game 8-0.

The next heartbreaking loss came at Methuen two weeks later. After dominating the game and leading 3-0, a 53 yard scoring run ruined any hopes of an Indian win. Despite the loss, great improvements were evident after a Billerica defense held the Rangers to 54 yards of total offense. But 106 yards of penalties hurt them and their offensive unit failed to capitalize on many opportunities. This was not the end of the hard fought losses, however.

After leading Lawrence 14-3, a Lancer comeback with five minutes remaining, shattered yet another chance to chalk up a win. The Wilmington game was a deja-vu of the season opener. A battle of defenses ensued, but the Wildcats emerged with a 7-0 victory.

Although this team had a record of 0-9, they deserve a lot of credit. Sticking together and working harder each week, they kept their hopes alive and their spirits high. This team should be proud of themselves, not only for believing in their teammates, but for believing in themselves.

# Fall Cheering

The '89 season brought together a squad that can be described as the most successful to pass through the B.M.H.S. sports program ever. In the spring of 1989 the football cheerleaders were chosen and seniors Laura Foster, Maureen MacMullin and Nicole D'Orsi were made tri-captains. The team worked together easily from the start. They were awarded a trophy for being camp champions at Universal Cheering Association's summer camp and given a number of blue superior ribbons. Nicole D'Orsi received an "All-Star" nomination by the camp counselors. During the fall season, along with Saturday football games, the squad participated in two competitions. In the NECCA state sponsored competition, the cheerleaders were awarded the Division II state championship title. This was a first in the school's history.

Sophomores Lisa DiRocco, Tarina Mariano, and Diane Cefalo and juniors Judi Anthony, Paula Souza, and Debbie Mangiacotti will certainly be a strong team in the future from the experience they have gained. Seniors Jen Browne, Lori Cooley, Stacey Furlong, Kerry Lee, and new-comer Nikki Blake, along with the dedication and talent of the captains made this '89 team one to remember.

# Boys Soccer

This year's Boys Soccer team, coached by Jim Kelly, finished their season with a respectable record of 9-6-4. The team qualified for the tourney for the third season in a row and advanced as far as the first round against Beverly. There were many highlights of the season. Early on in the season there was a close 3-2 victory over Wilmington. They followed up with a 1-0 victory over an undefeated MVC championship Central Catholic team. The ninth season game ended in a 1-1 tie against a powerful Concord-Carlisle team. Near the end of the season they finished up by dominating a game against Lowell, winning easily 3-0.

The seniors on the team were Steve Mirasolo, Brian Rogers, Phil Casalini, Grady Gerade, and tri-captains Ricci DeRosa, Bob Kinsella, and Brian Zangari. Next year's team will consist of 7 returning lettermen. Although the team will be rebuilding, they have enough backbone to remain a threat in the MVC.

# Girls Soccer

The BMHS girls soccer team had its best season ever finishing with a 12-3-3 record. The team had a winning streak of 13 games and ties for the season went to Westford, Chelmsford, and Andover.

The season had many high points. One was the Julie Sandberg benefit soccer game versus Littleton when the team came away with a 6-0 victory. Another climax was a tie to Andover, ranked fourteenth in the nation at that time. Capping off the season was the girls' third consecutive state tournament bid. The state game was against Framingham North. Unfortunately it ended in a 6-1 loss.

The team was well rounded with three All-Conference players; Tracy Penrose, Bonnie McDonough, and Rachel Barbarossa and three All-Star players; Kathy Cristello, Moira Oullette, and Dana Carrabba. Co-captains Dana Carrabba and Tracy Penrose and the other seniors Bonnie McDonough, Kathy Cristello, Dawn Baniewicz, Kim Yeomans, Kim Deeney, Kelly O'Rourke, and Kristen Cronin leave the team in the capable hands of the juniors, sophomores, and freshmen.

# Boys Cross Country

The Boys Cross Country Team finished with a record of 3 wins and 7 losses. The team graduated several talented seniors and faced the challenge of rebuilding. Nine seniors competed for Billerica. Rich Bejtlich, Eric Chen, Terry Crump, and Timmy Gibson scored consistently. Kevin Cronin, Mike King, Shawn Pierce, Paul Ransom, and Jeff Turner also ran well for the Indians.

High points for the season included crushing victories over Wilmington, Lawrence, and Methuen. The meet against Central Catholic was an excellent indicator of the boys' determination and ability. Not only did the team have to compete against one of the MVC's powerhouses, they had to run on that team's incredible 2.8 mile course. Nonetheless, four Billerica boys placed in the top ten finished overall. Impressive results demonstrated the enthusiasm and dedication of the 1989 Boys Cross Country Team.

# Girls Cross Country

The Girls Cross-Country team finished their season with a disappointing record of 3-5. Despite their record, the girls ran well against some tough competition under the leadership of tri-captains Roberta Hennessey, Kerry Goguen, and Tina Rouine.

With the support of Patricia Tobin, the girls survived a few close and upsetting meets, not to mention some exhausting work-outs. Their hard work and determination paid off as they ran their way to outstanding victories against Wilmington and Lawrence in a tri-meet where they captured the first six places. The team had another good showing at their second tri-meet when they defeated Methuen and lost to Andover by merely one point.

Outstanding performances were given by Coreen White, Michelle Rouine, Kim English, and Donna King, as well as the team's captains, all of whom qualified for states.

# Girls Volleyball

The girls varsity volleyball team continued its winning ways this season as it ended with an overall record of 13 wins and 7 losses. Beating Andover in the first game of the season 2 games to 0, gave the girls a good start. They played a tough match against Chelmsford, although losing the match 2-1. Despite losses to Chelmsford, Dracut and one to Andover, the team qualified for the state tournament with a League record of 12 wins and 6 losses (an improvement from the 88-89 season of 11 wins 7 losses). The girls played their first state tournament game at home against Bishop Fenwick, and walked away with a 3-0 win. The next match-up was not so easy when they faced the Lions on their own territory. Unfortunately the girls could not pull out a win, and the season ended with a loss to Chelmsford.

The team was sparked by excellent play from 5 seniors. Co-Captains Moira Breen and Vanessa Donadio were outstanding players during the entire season. Terry Boucher, Tara Conners, and Jenifer Dalfino also gave strong performances throughout the year. Although the team is losing five key players, next year looks promising because of a young team that has a lot of experience.

# Golf

This year's golf team's record of 7-9 was not a winning record, but the team did have a lot of close matches. The team just missed out on qualifying for the state tournament by a few matches that went to  $6 \frac{1}{2}$ - $5 \frac{1}{2}$ , which is as close as a match can get. Coach Michael Cowdrey summed up the season best at the Fall Sports Award Dinner by saying "The van ran well."

The team was led by captains Eric Mitza and Matt Burke followed by Mark Davies, Michael Glavine, Tim Doyle, Tom Gaultieri, Brian Zawatski, Steve Cascio, Paul Cotta, Mike Allen, Karl Infanger, Steve Papia, and Chris Warren.

The team should be strong next year with only two seniors leaving, Mark Davies and Eric Mitza. Thanks to Mr. Cowdrey and the Country Club of Billerica. Good luck next year.

# Swimming

Despite the 2-8 record of the Billerica Indians Girls Varsity Swimming team, it was a season filled with first place finishes, personal best records, and hard work.

Christina Iannelli sparkled on the one meter board. Billerica's only diver, senior, Christina brought the team some needed first place finishes as well as swimming her personal best in the 100 yard Freestyle, and the 100 yard Backstroke.

Senior Tory Capezza, a strong all around competitor, really showed her stuff in the 100 yard Breaststroke, taking many first place finishes. In the 200 yard Individual Medley Relay, Tory consistently improved her personal best times.

Kristin Creonte gave it her all.

The 100 yard Backstroke was, senior, Debbie Shaw's best event. These first place finishes were accompanied by personal bests in the 50 yard Freestyle and the 100 yard Butterfly.

# Yearbook

The job of creating the 1990 yearbook seemed an impossible one at first. Although the theme was decided early at yearbook camp in 1988, actual planning did not begin until the next year. When the Class of 1990 heard of the possibility of a modern cover and began rumors of boycott, the editors decided to allow a class vote to choose a cover style. Tradition was overwhelmingly preferred to avant garde, so the Warrior cover returned to green and gold.

With the help of their small yearbook staff, co-editors Conan Dailey and Susan O'Keefe and assistant editor Jennifer Drumm finished the decision making process and eventually the entire book. Although the job began in July 1988 and was not completed until July 1990, this traditional Warrior yearbook proves again that producing a yearbook is not impossible for a hard working staff.

Yearbook staff members search through piles of pictures for just the right pose.

# National Honor Society

The NHS this year, with 30 members and a new advisor Mr. Cox, was productive. It sponsored two blood drives which brought out the best in students and faculty who gave over 85 pints of blood. Other activities included a stationery sale, helping on parents' nights, the class of 1991 induction ceremony, and a Chinese food luncheon. Membership meant more than just a card and a pin to the Class of 1990.

# ROTC

ROTC is not just a class, it is an experience. In April, the group took its annual orientation trip to Quantico, VA where they practiced drill maneuvers, toured the facilities, and best of all rode in a helicopter. They also traveled to Washington D.C. to the Eighth and I, the first marine barracks. Here they watched a Marine Corps. parade and competed in a track and field meet. The end of the year brings an awards evening where scholarships, awards, and promotions are distributed. In ROTC students learn about land navigation, marksmanship training, but most of all leadership skills which they can use in all aspects of their lives.

# Audio Visual Club

Audio Visual Club members are involved in many aspects of the school. Led by Mr. Walsh, the students video tape everything from school functions and television shows for classroom monitors to community activities. This year the club was fortunate enough to branch into actual video classes during the school day also. Mr. Walsh and Mr. DeFeo taught students the proper way to run video equipment and edit films. One never knew when they would leave class and

discover a camera's blinking red eye staring at them. Some AV Club members worked behind the scenes of "Good Morning, BMHS", our morning news program while those who were brave appeared on camera reading the news. Still other students programmed the message board in the cafeteria each day. Although not everyone was aware of the Audio Visual Club, they realize that their mornings never would have been the same without them.

# Class Officers

Class officers and advisors are of great importance. Their time and devotion organize some of the best times that students experience in high school. From proms to reunions, these people work hard to plan each year at BMHS.

The junior class had a busy year beginning with a harbor cruise which had been postponed from the spring. Candy sales and a successful junior prom finished off the year. The sophomores enjoyed many successes too. In the winter, their idea for a semi-formal took off with half of the class attending. Heart-to-heart, candy, and stationary sales added more funds to their treasury. The freshmen had a fun first year. Jewelry sales and class dues helped to finance their traditional class trip to Canobie Lake.

It wasn't long ago that the class of 1990 attended our class trip to Canobie Lake. These activities bring everyone together for a brief time. This senior class wishes future classes as many good times as we shared.

Student Government Day Representatives  
Amy Doherty-alternate, Mr. John Desmond-Advisor, Rich Harty.

There are many important positions elected each year by the student body. Qualified and concerned members from each class give up some of their own time to act on behalf of the rest of the school. Four such groups of interested students are the Student Government Day Representatives, the Regional Student Advisory Council, the Student Advisory Board, and the School Improvement Council. These groups are all composed of seniors, with the exception of one junior thus demonstrating the extensive involvement of the class of 1990 in all aspects of school policy.

Each year, one student is elected to be the Student Government Day Representative and the person with the second greatest number of votes becomes their alternate. All Representatives from across the state attend several workshops to prepare themselves for the final task of taking over the State House for one day. This year Rich Harty was lucky enough to take the part of Patricia McGovern, the head of the Senate Ways and Means Committee. He became one of the most influential people in Massachusetts politics for the day. Along with Amy Doherty, his alternate, and Mr. Desmond, their advisor, Rich attended public hearings and met with other Massachusetts politicians. This day provided those involved an opportunity to see exactly how the state government functions.

Two students are elected by their classmates to become Regional Student Advisory Council Members. These state-mandated positions provide an outlet for the students of BMHS to communicate with students from other schools and gain ideas about how to make changes. This year's RSAC members, Rich Bejtlich and Kelly O'Rourke travelled to North Andover one Thursday each month to learn about the legal rights of students as well as ways to improve BMHS.

## School Improvement Council Representatives isa Allendorf

Paul Gurney and Lisa Allendorf

The Student Advisory Board plays a crucial role in the lives of the students of BMHS. This group is also state-mandated and is composed of five members elected by the student body. This year Lisa Allendorf, Kristen Cronin, Amy Doherty, Rachel Donchin, and chairperson Kim Yeomans attended school committee meetings, once per month to give the students' perspective of what happens in the high school. On certain issues these students were called upon by the School Committee to speak before the entire assembly. Each quarter the state insists that the SAB meet in closed session with the school committee to comment on events and problems within the school. It is during this time that the students will be heard by the administration. The role of this group will become more important as funds decrease while at the same time students will still need to be involved in decision making within the school.

The School Improvement Council deals with financial aspects of the school. Two students from any grade level are elected to these positions. They attend meeting along with administrators, department heads, teachers, and parents to decide how this additional state money should be allocated. Lisa Allendorf and Paul Gurney had the responsibility of suggesting ways to use this money which would most benefit students. In the past, repairs, new sports teams, and many other projects have been funded with Improvement Council money.

Most students graduate from high school without ever hearing of these groups. Luckily, many members of the class of 1990 did hear about these positions and took an interest in them. With many vacancies left by graduating seniors, the school can thank the people by whom it was represented this 1989-90 school year, and because of the eight positions left by graduating seniors the other classes have a duty to become as involved.

# Hockey

Overall, this year's hockey season was a success. After a slow 1-2 start, the Indians finished off the regular season 17-3 and captured the MVC title for the third year in a row.

The Indians were undefeated at home thanks to hard work and loyal fans. These home wins included revenge against rivals Chelmsford, Tewksbury, and Central Catholic. The Indians fared well in non-league action as well. They beat Middlesex league champ Reading 5-0 and handed powerhouse Hingham their only loss of the season 2-1. In the Division I playoffs, the Indians did not do as well as expected losing in the first round to Everett 5-3.

Co-captains this year were seniors Rich Harty and Mike McHugh. Other seniors on the team included Andy Diman, Brendan Daly, Eric Mitza, Mike Egan, and Chris Duggan. With a number of underclassmen returning next year, the team is predicting another rewarding season.

Mike Paskiewicz scores again an important Billerica goal.

# Girls Basketball

The Girls Basketball Team had a hard fought season. Although the Indians played some tough teams in the competitive Merrimack Valley Conference, they never gave up, playing each game down to the final seconds. The highlight of the year was a win over the Dracut Middies. The game was a thriller, but in the end Billerica came out on top. The Indians also played well in two heartbreaking losses, one to Wilmington and one to Tewksbury, losing by just a few points in each game.

The team was led by tri-captains Dana Carrabba, Tara Conners, and Kathy Cristello, as well as seniors Moira Breen, Kim Deeney, Roberta Hennessy, MaryEllen Hughes, Kristen Keough, and Mary O'Sullivan. Because of their outstanding contributions during the season, many of these members were honored at the athletic banquet. No doubt, the Indians' season was full of hard work, but the team had fun just being together and playing basketball.

Though the season ended with a deceptive 5-13 record, it did not appear to reflect this true Indian Squad. Under the leadership of first year head coach Kevin McDermott and tri-captains Donald Shea, Kevin Gately, and Bob Kinsella, the team never gave up and rarely let the crowds go home early or unhappy.

The highlight of the year came in the middle of the season with a 3 game win streak. The first win was a buzzer beater against powerhouse Andover while in the very next game Billerica upset Central Catholic in Lawrence.

Along with the three captains, the rest of the seniors who helped the team were Barry Madsen, Mike Bricher, Mike King, and Terry Crump. Juniors who earned varsity positions were Steve Duby, Steve Cascio, Scott Morrisoe, and Matt Cotter. The team was completed with two sophomores, Dana Cottrel and Craig Flynn, who started much of the season showing signs of brightness for the future.

# Winter Cheering

The success of the 1990 Varsity Basketball Cheerleaders began at summer cheerleading camp where the girls worked hard learning new techniques and cheers. Evaluated on their progress and performance, the team received Blue and Gold Superior ribbons, the camp "Spirit Stick", and the sole "Master Key to Spirit" award for displaying spirit, cooperation, and performing ability.

In their first regular season competition, the team placed second out of twenty-six teams missing first by six points. But a few weeks later at the state competition, the team placed first earning the title, "State Champs." The accomplishment of the team as well as the great cheering support at the basketball games is due to the leadership of captains, Lisa Allendorf and Lisa Cardia, and the effort of seniors Laura Annese, Debi Buczak, Jill Callahan, Jen Chancey, Christina Iannelli, and Debi Rich. # Boys Winter Track

The boys track team finished their winter season with a record of 2-4-1, reflecting the talent of runners in the Merrimack Valley Conference. The boys showed themselves as a competitive team with promise for the future.

Few seniors competed this season. Captain Paul Ransom's showdown with Chelmsford's top hurdler exemplified Billerica's spirit. Captain Brett Masotta led sprinting, while captain John McCabe hurled the shotput with great results. Captain Rich Bejtlich was unable to complete the season because of an injury. Other valued seniors were distance runners John Whyte and Christian Ahr, as well as Mark Davies and Tom Ferris.

The biggest success of the season was a tie with Andover, who planned to destroy the Indians, but they gave a top-notch performance and would not be beaten. The boys know that their work will produce even greater victories for the 1990-91 indoor track season.

# Girls Winter Track

A tightly knit girls winter track team, through hard work and dedication, dominated the dual season, winning back-to-back championships in the MVC in 1989 and 1990. Four years ago, coach Daniel Murphy took the girl's winter track team under his wing. Since then, the team has controlled the Merrimack Valley with a record of twenty-three wins and a mere four losses. In addition, the team now holds the record for the longest winning streak, thirteen games, in the highly competitive MVC. The success of the team can be attributed to the hard-working captains Dawn Baniewicz, Bonnie McDonough, Tracy Penrose, Stacey Reid, Kerry Goguen; seniors Kristen Cronin, Marci Barron, Laurie Galligan, Maureen Walsh, and Kim Yeomans; as well as the other members who helped make the team number one. The team's record was not the only success, but also the great times and the friendships that were developed.

# Wrestling

This year's wrestling team, once again, enjoyed a respectable season with a dual meet record of 12-5-1. Captains Ricci DeRosa and Steve Mirasolo commanded a young team of mainly juniors and freshman to a second place finish in the MVC, a third place finish in the Division I Northern Sectional Tournament, and a tenth place finish in this year's State Tournament. Advancing to this year's State Tournament were Ricci DeRosa, Steve Mirasolo, Michael Curtis, and John Razzaboni. Steve Mirasolo won the State Championship in his weight class, while Ricci DeRosa placed third in his weight class. Both advanced to the New England championships. The team has high hopes for the next year with a respectable number of juniors and freshman returning under Coach Viglione's command. The team will have a good chance at winning the States and the New Englands if Curtis, Razzaboni, and Jamie Jenkins return to the line up for the '91 season.

The Girls Varsity Gymnastics Team, coached by Dawn Ducharme, finished its 1990 season with a record of 3 wins and 7 losses. It was a tough season, but the team managed to maintain its enthusiasm and spirit.

Leading the team into the season were captains Paula Odierno and Judy Anthony. Other important contributors included Paula Souza, Marrya Mattarazza, and Cindy Vokey.

The meet against Lowell was very close but Billerica edged the Lowell team with a score of 108 to 103. Another meet against Arlington was very challenging. However, the Billerica team showed them its form and prevailed.

The team will be losing two seniors — Stacey Furlong and manager Wendi Arsenault. All in all, the girls were very supportive of each other, and it was a challenging season of growth and rebuilding for the team.

To The Members of the Class of 1990:

Graduation is a time for gifts. You have received a gift. It's a gift that will not wear out, break, or rust. It's a gift that will increase in value every day. Once the gift is opened, it will never be thrown to the back of the closet and forgotten.

The gift is, of course, your education. Use it wisely in whatever your chosen field of endeavor. I join with the Billerica School Committee in congratulating each and every one of the Billerica Memorial High School graduates. May your future be filled with happiness and success.

Sincerely,

Dear Graduates,

In addition to the distinction of being the first graduating class of the new decade, you as a group have taken B.M.H.S. to all-time heights of excellence. The Faculty, Administration, and the Billerica Community are proud of you and of your accomplishments.

But this is only the beginning. Your success in the future is founded upon the skills, knowledge, and patterns of thought that you have learned at B.M.H.S. However, the real basis of success will be the degree to which you continue to learn and grow in the years ahead. And the internal basis of future success will be your personal happiness that is derived from fulfilling person-centered relationships with others. We hope that you have also experienced those relationships here at B.M.H.S.

Congratulations on your graduation. Please remember that you are always welcome. As the saying goes "Don't be a stranger".

Best wishes,

This past April the BMHS Wind Ensemble traveled to Europe for a ten day concert tour of England. Their trip included a stay in Harrogate, where the ensemble took part in the Harrogate International Youth Music Festival with musicians from all over the world, including Canada, England, France, Switzerland, Austria, Sweden, Finland, and Russia. From there they traveled to Shrewsbury, where the ensemble had the opportunity to perform for the Mayor. The next stop was Billericay, Billericay's name sake. Here they were given a tour of the town by their host families and performed in a concert with students from Billericay. The trip was completed with two days of shopping and sightseeing in London. They visited Tower Bridge, the Tower of London, Trafalgar Square, Saint Paul's Cathedral, and London's Hard Rock Cafe. During the course of the trip the ensemble also saw Big Ben, the Houses of Parliament, Kensington Palace, Shakespeare's birthplace at Stratford-on-Avon, and York Minster. The tour ended with a trip to London's

theater district, where they had the chance to see the hit musical "Miss Saigon". The opportunity to travel overseas and experience a whole different way of life, plus two days of fun in London made the tour a great success!

# Stranger In Town

Nineteen year-old Elizabeth Nilsen is having fun in the U.S., but she will be happy to return to Norway, the "Land of the Midnight Sun," in July. Norway gets its nickname because for two months during the spring there is continuous daylight during which teens sleep all day and stay up all night, while at Christmastime there is complete darkness. In fact, the Norwegians are so happy to see the sun again, that they allow students a two-hour "sun vacation" from school. This phenomenon occurs because of the country's position above the Arctic Circle.

Elizabeth first visited America in 1986 on a trip to Florida. She became interested in the people then, and decided that being an exchange student would provide a good opportunity to learn about their culture and practice speaking English.

Since her arrival she has noticed many differences between her school and B.M.H.S. Norwegian schools require a strict set of courses, whereas Billerica High is flexible. Here, gym is relaxed, but in

Norway it is serious and competitive. At the high school, students move from class to class and keep their books in lockers. In Norway, teachers move and students keep their books in their desks. Norwegians also only attend school for nine years. Although most aspects of the schools are different, both in Norway and the U.S. one can either find a job or enter a specialty school after graduation. Upon her return Elizabeth will be attending a business school.

The people of Norway are also very different from those of America. Norwegians eat lots of fish and are very active. Elizabeth is no different. In fact, fish is the food she misses most. She also keeps in shape, having known how to ski since she was three. She even explained that cross-country skiing is more popular than downhill in Norway. Elizabeth does, however, differ from her countrymen in one respect. Most Norwegians are blonde and blue-eyed, but she has green eyes and brown hair.

Elizabeth has enjoyed her stay in

America, especially the discovery of frozen yogurt. She communicated well, having taken English since the fourth grade. And while she wasn't in school she kept busy at chorus and at a health club. Hopefully her experiences in America will lead her back in the future.

Exchange students, Elizabeth Nilsen and Christian Ahr.

opportunity to be part of a foreign exchange program, however, and has spent this past school year in America.

Chris lives in a small town near Dusseldorf in West Germany. He has one younger brother back at home. When asked what he missed most about Germany, he said "the food," although he does enjoy Big Macs. At home Chris enjoys playing tennis and other sports.

Schools in Germany are different than they are in the United States. One of the biggest differences that Christian has noticed is that kids get to choose more courses here. He says in Germany one's schedule is much more rigid. He also says that the tests are harder in Germany, but the homework load is about the same. Another difference is that

kids start learning a foreign language by the fifth grade. By the high school level, they are more advanced, in general, in a foreign language than American students.

There were several reasons Christian decided to become a foreign exchange student. First, he wanted to work on his English, which he says has improved tremendously. Playing tennis was another reason to come to the United States. But he has also enjoyed meeting new people and learning a new culture.

Chris is going back to Germany after his graduation here. He will have three more years of high school over there. It is then mandatory that he serve in the army for a year and a half. After that he plans to go to college and probably study business.

**M**ost of us can only imagine what it would be like to live and go to school in a different country for an entire year. Christian Ahr, a member of this year's senior class, has done just that. Christian was born and raised in Germany. He has had the unique

# SPRING SPORTS

# Boys Volleyball

The 1990 boys varsity volleyball team started its season with its most impressive performance of the year beating North Quincy two games to one. Unfortunately, for the rest of the season, the team experienced the same rocky waters that it did all of its maiden season. Of the sixteen games left the team managed only three wins beating Algonquin, Boston Tech, and Somerville.

An impressive outing came with what was the team's most heartbreakin loss in its brief two-year career. They played Chelmsford in the final game of the season and the last under head coach Timothy Sloman. The team lost the first game and got down early in the second, but due to solid performances by the seniors plus junior Tim Fitzpatrick, they mounted a great comeback to win the second game. Steve Reimer set well, co-captain Rob Haviland hit superbly, Tony Hubbard's digging was excellent, co-captain Mike Sickorez served outstandingly and Terry Andrews' outside hitting was his season's best. Both teams played hard in the third and final game, but with the score tied at 12-12 Chelmsford pulled away to win 15-12 ending Billerica's season.

Individual recognition on awards night included Billy Traynam, Mike Sickorez, and Rob Haviland.

Nineteen ninety was a turnaround season for Billerica softball. The Indians finished second in the MC Large School Division at 6-11 and advanced to the state tournament for the first time in ten years. Key to this success were Tri-Captains Terry Boucher, Kristen Hurray, and Mary O'Sullivan and veteran seniors Mary Ellen Hughes, Kristen Keough, and Kerry Sandberg who provided necessary leadership and experience.

Among this season's highlights are the Indian's 27-5 romp over rival Chelmsford and their post season game against Peabody. Although narrowly defeated 3-2, the team played an exceptional game. The team's success did not go unnoticed. Kristen Hurray and Marcy Cronin were named league All-Stars while Rachel Barbarossa was named to the All-Conference squad.

This year's team learned how to "Tree It", to "Visualize", but above all that success cannot be measured in wins and losses. Determination, dedication, enthusiasm, and teamwork are what made Billerica's softball team a success.

Sliding into home is a dusty experience for Kristen Hurray.

# Baseball

The BMHS baseball team had an outstanding season ending on a good note with a 14-9 record. Under the able leadership of Coach Jon Sidorovich, the team went as far as the third round of the State Tournament.

The season had a rocky start, the Indians being 3-7 at one point. Then their comeback began as they won the next 9 out of 10 regular season games to advance them to the Division I tournament. They continued to play excellent baseball beating Peabody and demolishing Newton South 15-1. However, a third victory would not happen as the game against Arlington ended in a heartbreaking loss.

Each of the graduating seniors was crucial to the team's success. Pitcher Keith Qualter was named All-Star and All-League despite shoulder surgery. Kevin Gately was one of the best fielding shortstops that Billerica has seen. Barry Madsen was an all-around great player who contributed to all aspects of the game. With ten players returning next year, the state title may once again be in sight.

# Lacrosse

The 1990 lacrosse team did surprisingly well this season finishing at 10-7. They ended up just a few points short of making the state tournament.

Highlights of the Indians' season came when they played Medford, the eighth ranked team in the league. At the beginning of their first game even the coach had doubts about their chances. Although Medford controlled the first half, Billerica came back to beat them 14-8. The second meeting also was victorious. Their unfortunate loss to Winchester two games later prevented entrance into the tournament, but the Indians did not give up. Instead they went on to win their next two games. Their final game was against Framingham South, a team with a position in the tournament, but Billerica beat them 9-6 to finish up the season with a bang.

The team will be losing three seniors. Pete Hinkley, Bob Kinsella, and Brian Rogers will all be missed for their years of experience. Next year should be even better with many juniors returning to carry on the Indian tradition.

# Girls Spring Track

This year's girls spring track team finished with a respectable 4-3 record. Following in the footsteps of a strong indoor track season, the team never gave up or complained at their shaky record. They only gained pull for their teammates and themselves.

The girls placed third in the MVC and second in the North Area meet. The season saw both crushing victories like the 105-28 win over Wilmington as well as close losses like the 55-81 finishes against Tewksbury and Andover. Discus hurler Bonnie McDonough felt individual success when she brought home the state crown, made All-Conference, placed sixth in the New England Regionals, and was named a Globe All-Scholastic. Stacy Reid also did well, placing fifth in the New England Regionals and setting a new school record with her shotput throwing.

The team will be losing tri-captains Roberta Hennessey, Bonnie McDonough, and Tracey Penrose and seniors Dawn Baniewicz, Tara Conners, Stacy Reid, and Kim Yeomans. Their dedication will be greatly missed in upcoming seasons.

Stacey Reid gives it her all.

A little rain won't dampen Kiev Ly's spirits.

# Boys Spring Track

The boys spring track team ended its season with a disappointing 3-5 record. Despite the scores, there were many personal accomplishments made this spring. The boys learned that teamwork was more important than numbers.

The team was at its best early in the season. It won two meets in a row against Wilmington and Dracut to inspire them to keep working. After two more difficult meets against rivals Andover and Chelmsford, they came back to beat Lowell for their final victory of the season.

The boys track team will be graduating many seniors this year. The leadership of captains Terry Crump, Mike King, Paul Ransom, and Brian Zangri will be sorely missed. Other important senior contributors were Dave Clare, Eric Chen, Hoon Choe, Kevin Cronin, Tom Ferris, Brett Massotta, John McCabe, and John Whyte. With a large number of juniors hopefully returning next year, this experienced team should be a formidable opponent in the MVC.

Aaron Williams wonders whether or not to make the pass off to Brett Massotta.

The ground comes up quickly Brian Zangari.

Friendships, like the one between Aaron Williams and Brian Chin, make the hard work worth it.

# Girls Tennis

The girls tennis team finished with a record of 9-6. It included senior singles players Vanessa Donadio and Donna Dantas, and junior MVC All-Conference and Lowell Sun Honorable Mention player Becky Behm. Both doubles teams had strong years being named MVC All-Conference and Lowell Sun Honorable Mentions. The first doubles team of co-captains Moira Breen and Kathy Cristello ended the season with an almost flawless record of 14-1 while the second doubles team of Michele LeVasseur and Dawn Berkovitz finished at 11-4. Missing due to an injury was senior Dana Carrabba who looked to be the team's top player. However, Donadio proved herself worthy of the position.

The season held many high points. A close win over rival Chelmsford early in the season brought needed confidence. Two shut-outs over Methuen were important victories. The season ended with a crushing 4-1 victory over Lowell.

The leadership of six graduating seniors will be greatly missed. With a young team remaining, those remaining anticipate a year of rebuilding.

# Boys Tennis

Tim Gibson hits a winning backhand.

The success of the BMHS boys tennis team was a culmination of four years of hard work. The team ended its season 19-3 suffering its only losses to Andover—the final defeat coming in the North Sectional finals.

The team was anchored this year by seniors who saw their team improve from 6-10 freshman year to North Sectional finalists three years later. Firstly, exchange student-extraordinaire Christian Ahr gave the team depth filling in the first singles spot, and was eventually elected MVC Player of the Year. Co-captains Scott Christo and Tim Gibson were dependable single points at second and third singles respectively, and were named MVC All-Stars. After much juggling of the doubles lineup, due to the departure of Tom DiNanno, Coach Sam Colangelo stuck with the successful combination of Mike Raybould and Ty Munson at first doubles. One of their great victories included a win over Lowell, a perennial power in doubles. All-Stars Conan Dailey and Phil Cassalini were a dominant force at second doubles whose best performance was an avenging win in the section final over Andover, who had given them their only MVC loss.

Team highlights included stirring wins over local powers Chelmsford and Westford, but by far the most inspiring occurrence was the Indians 4-1 trouncing of Marblehead in the state tourney. The win showed how Billerica, heavy underdogs, could pull together as a team to overcome adversity. It also propelled them to the North Sectional finals where they missed the title by three points.

Even though the team will lose six varsity member Coach Colangelo should have no problems rebuilding with players like Brian Gibson, Ty Munson, Ken Heavey, Jason Reid, Marty Lappin, Dennis Baniewicz, and Kevin Taylor.

The 1990 BMHS tennis team showed how hard work and camaraderie are as important as talent in tennis—Thanks Coach C.

# The Pajama Game

▼ Sid Sorokin (Kevin Thomas) sings of loneliness in a new town.

If one strolled by the chorus room near Christmas, one may have noticed a tension in the air: excitement about the upcoming musical auditions. This year's musical "The Pajama Game" was the nineteenth annual production since the tradition began. Originally a novel, "Seven-and-a-Half Cents," written by Richard Bissell, it was adapted for the musical stage with the help of George Abbott.

This humorous musical is set in 1954 in the Sleep-Tite Pajama Factory in Cedar Rapids, Iowa, where a new superintendent Sid Sorokin (Kevin Thomas) is hired. He is uneasy in a new town, but trying to keep production up in the midst of a management-labor dispute over a seven-and-a-half cent raise. When Sid gives a mechanic a shove, the union grievance committee enters, headed by Babe Williams (Susan Chanen) with whom he immediately falls in love, but who discourages his advances. However, he manages finally to corner Babe and convinces her to date him. Sid's work problems are not helped by Hines (Chris Cohen) and his fiancee Gladys (Laura Foster), the boss's secretary. When the friction between the management and labor increases, Prez, the union president (David Aylward), calls for a slowdown. Babe jams a machine in protest and is fired by Sid for her actions. Determined to get to the bottom of the situation, Sid persuades Gladys to get the key to the ledgers of Mr. Hasler, the boss (Paul Gurney). He learns that seven-and-a-half cents was added to the costs six months ago giving the management unfair profits. In the end, the boss gives in, Sid gets his girl, and everyone celebrates.

The preparations for "The Pajama Game" began at the beginning of the school year. The director, Mrs. Suzanne Robertson, had to choose a musical suitable to the talents of her students. Once the difficult decision was made she had to ask for volunteers for without them the musical could not be a success.

When the sets are all painted, the sound and lights set, the orchestra warmed up, and the house full, it is the cast's turn to show off all of the work from long, grueling rehearsals. Now is when all of the hard work from everyone involved finally pays off—when the applause begins!

Mabel (Carol Cyr) finds Hasler's (Paul Gurney) suggestion quite impractical. ➤

◀ Hines (Chris Cohen) promises never to be jealous of his fiance again.

◀ Babe (Sue Chanen) tries to convince her co-workers that she is not at all in love.

◀ Max (Dave Tassi) hopes that Brenda (Kirsten Button) will spend time with him at the company picnic.

Prez (Dave Aylward) tries to smooth talk Gladys (Laura Foster).

Mabel (Carol Cyr) wonders if Babe's (Sue Chanen) visit is business or pleasure.

Even the stage crew agrees it is time to take five.

Elisabeth Nilsen gets help with some last minute adjustments.

Poopsie (Maureen MacMullin) has a few words to say to Hines (Chris Cohen).

▼ The company picnic is a time to have fun for the workers of the Sleep-Tite factory.

Everyone helps each other with the finishing touches. ▲

▼ Why should we work this hard without a raise?

# Can't Touch This

May 25, 1990 was the evening of the senior prom. On the way to the Long Wharf Marriot, many couples stopped at the Billerica Common to be admired by town members and photographed in front of the gazebo. Others went straight to Boston into the traffic jam of limousines waiting to drop off anxious passengers. Once inside, prom goers stood in endless picture lines, then hurried to finish dinner. Soon after, swinging sequins and swaying suspenders tore up the dance floor. The pace slowed down long enough for Queen Kerry Lee and King Brian Zangri and their court to dance to the prom song, "These Are the Times to Remember". As the seniors exited the ballroom they knew the good times they had experienced that evening would be difficult to match.

The Prom Queen and her court: Pam Krinopol, Kerry Sandberg, Jill Callahan, Queen Kerry Lee, Elisabeth Nilsen, Nicole Roberts, Stephanie Hall, Brandee Sanborn, and Denise Draper.

Kim Yeomans and her date dance to a slow song.

## Last Will And Testament

Friends, parents, teachers, students, we come in joy and not in sadness to present and record the last will and testament of the class of 1990. We, the senior class, being of sound mind and body, leave:

for everyone to remember the class spirit that has thrived within us since freshman year.

all of our unserved detentions.  
to Ms. Buckley, a stepping stool to turn off the television.  
our homeroom teachers on time for once.  
all of our unfinished homework for someone else to complete.  
to Mr. Alcott, our best tardy excuses.  
to the junior class, our Spirit Week Trophy because they never could earn it.  
to Mr. LoDuca, his ruler trick to entertain more students.  
to all future freshmen, the knowledge that there is no pool.  
to Mr. Stavely, a new pair of corduroys.  
to the new morning announcers, a correct version of the Pledge of Allegiance.  
to Mr. Tsoukalas and Mr. Whittaker, safety goggles and lab aprons.  
to future students, all of our favorite parking spaces.  
to Mr. Marchi, a new radio and an empty easel.  
to the sports teams, lots of luck against rival Andover and Chelmsford.  
to Mr. Lancaster, ripped jeans for a change.  
to Mr. Oullette, his second finger left hand to continue with driver ed.  
to the junior girls, Mr. Hipps' great coaching for their Powder Puff team.  
to Mr. Colangelo, better luck finding a D.J. for the next Senior Slam.  
To Mr. Greenawalt, a class shirt so that he will have enough for next year's Spirit Week T-Shirt Day explanation.  
To Dr. Sharkey, much thanks and appreciation for all that you have done.  
To our class advisors, Mr. Colangelo and Mr. O'Connell, love and thanks for all the time that they have spent making the past four years memorable.  
To all those not mentioned, we have not forgotten you and could not have made it without you.

We hereby declare this to be our last will and testament in the year of our Lord, one thousand nine hundred and ninety.

# Pomp And Circumstance

Kerry Goguen never thought she would still have to work to receive her diploma.

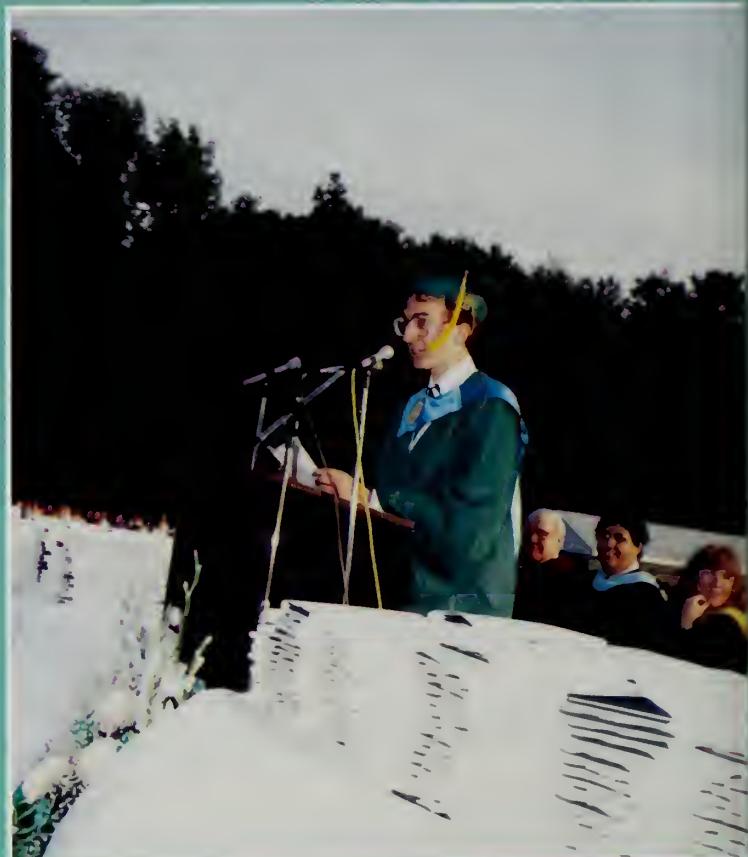

Maureen MacMullin sings the National Anthem.

"What is success? Everyone has a different idea of what success is. I'm giving a speech today because I was 'successful' in school. I somehow finished number one in that crazy system called class rank. Is that really success? . . . As for [my being] Valedictorian, what does that matter once I leave this stage? Will I be a different person? . . . It's the person behind the number and under the robe that matters.

Don't lose sight of what true success is. Don't be discouraged if you're not wearing a blue piece of cloth or a medal. Don't give up if it gets tough in college or your job is a drag. Success is having friends who will stand by you, and knowing that no matter what titles you receive, you know who you really are deep inside."

*Richard Bejtlich, Valedictorian*

... Another quality which sets leaders apart is that they stand up for what they believe in. Henrik Ibsen once wrote, 'The strongest man on earth is he who stands most alone.' Nelson Mandella, Martin Luther King, Jr., and Jesus all stood up for their principles, and even though they may have had others who supported them, they took the initial steps by themselves. It is because of this that I challenge each and every one of you to set high standards for yourself and never to compromise them, at any cost. For if you meet this challenge you will succeed in life."

*- Conan Dailey, Salutatorian*

▲ We must be in the front row.

◀ Jennifer Keenan gratefully accepts her diploma from Mr. Galligani.

Sue Venuti and Gina Erwin will miss the friendships they've made in high school.

Dr. Calabrese delivers an inspiring speech.

Mrs. Walker and Mr. Alcott are excited about graduation, too.

“... But now it is time for us to leave Billerica Memorial High School and it leaves one to wonder what will become of this school after the physical presence of this class is gone. One thing must be remembered though: the spirit produced by the class of 1990 will never be lost. It will linger in the halls, in the rooms, on the playing fields, and most importantly, in the minds of the students who will play the most important role in maintaining the attitude presently existing in our school.”

*Terry Crump, Senior Class President*

Jill Callahan, Kevin Chartran, and Sue Rogers cannot wait for the graduation ceremony to begin.

Hold on to your caps girls, you'll need them soon.

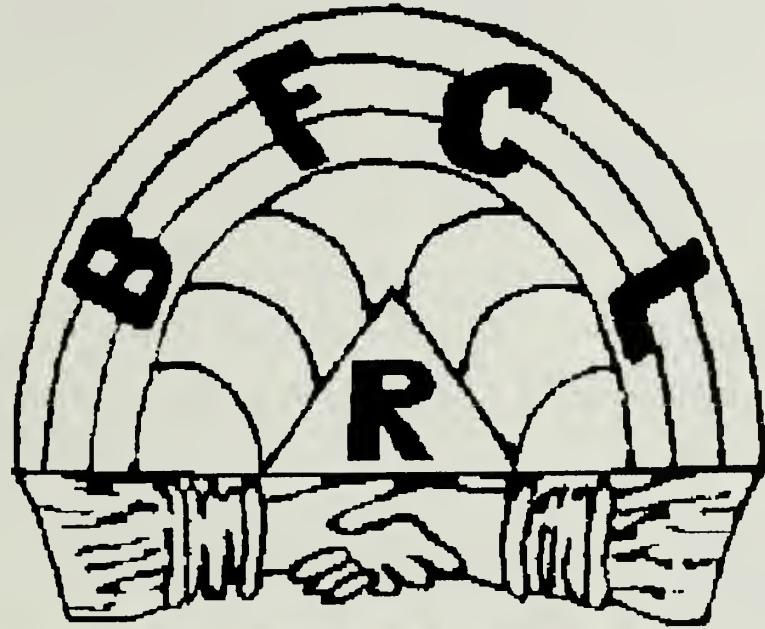

The gang gathers for a last minute picture in the bleachers.

Scott Christo and Dave Clare are psyched as they leave graduation.

The Billerica High School yearbook was printed by Jostens Printing and Publishing Division, 401 Science Park Road, State College, Pennsylvania 16801. The Jostens in-plant consultant was Karen Stariha. The Jostens area representative was John Neister.

The cover was a craftline embossed printed on green #516 material with mission grain and gold foil applied. The artwork was done by Rick Brooks. The endsheets were printed on Parchmatte material #303 with Forest Green Tenipo Ink #349 applied different front and back.

The 236 pages used 80# Gloss paper with black ink applied for the entire book. 20 pages were printed with the four process colors, and 48 pages were printed with second color #347.

The official school photographer was Stevens Studios of Nashua, N.H.

The dominant type style used throughout the book was Times Roman #45 for body and captions and Helvetica #19 for headlines.. Body copy was set in 10 point with captions in 8 point. Headlines ranged from 14 to 60 point. Page numbers were set in 14 point Times Roman Bold.

A press run of 380 yearbooks was delivered in November of 1990.
